

§ 327.16 Lost and found articles.

All articles found shall be deposited by the finder at the Resource Manager's office or with a ranger. All such articles shall be disposed of in accordance with the procedures set forth in § 327.15.

§ 327.17 Advertisement.

Advertising by the use of billboards, signs, markers, audio devices, handbills, circulars, posters, or any other means whatsoever, is prohibited without written permission of the District Engineer. Vessels and vehicles with semipermanent or permanent painted or installed signs are exempt as long as they are used for authorized recreational activities and comply with all other rules and regulations pertaining to vessels and vehicles.

§ 327.18 Commercial activities.

The engaging in or solicitation of business without the express written permission of the District Engineer is prohibited.

§ 327.19 Permits.

(a) It shall be a violation of these regulations to refuse to or fail to comply with the fee requirements or other terms or conditions of any permit issued under the provisions of this part 327.

(b) Permits for floating structures (issued under the authority of § 327.30) of any kind on/in waters of water resources development projects, whether or not such waters are deemed navigable waters of the United States but where such waters are under the management of the Corps of Engineers, shall be issued at the discretion of the District Engineer under the authority of this regulation. District Engineers will delineate those portions of the navigable waters of the United States where this provision is applicable and post notices of this designation in the vicinity of the appropriate Resource Manager's office.

(c) Permits for nonfloating structures (issued under the authority of § 327.30) of any kind constructed, placed in or affecting waters of water resource development projects where such waters are deemed navigable waters of the

U.S. shall be issued under the provisions of section 10 of the Act approved March 3, 1899 (33 U.S.C. 403). If a discharge of dredged or fill material in these waters is involved, a permit is required under section 404 of the Clean Water Act (33 U.S.C. 1344). (See 33 CFR parts 320-330).

(d) Permits for nonfloating structures (issued under the authority of § 327.30) of any kind in waters of water resource development projects, where such waters are under the management of the Corps of Engineers and where such waters are not deemed navigable waters of the United States shall be issued as set forth in paragraph (b) of this section. If a discharge of dredged or fill material into any water of the United States is involved, a permit is required under Section 404 of the Clean Water Act (33 U.S.C. 1344) (See 33 CFR parts 320-330). Certification may be required pursuant to section 401 of the Clean Water Act (33 U.S.C. 1341).

§ 327.20 Unauthorized structures.

The construction, placement, or existence of any structure (including, but not limited to, roads, trails, signs or landscape features) of any kind under, upon, in or over the project lands or waters is prohibited unless a permit, lease, license or other appropriate written agreement has been issued by the District Engineer. The design, construction, placement, existence or use of structures in violation of the terms of the permit, lease, license or other written agreement is prohibited. The government shall not be liable for the loss of, or damage to, any private structures, whether authorized or not, placed on project lands or waters. Unauthorized structures are subject to summary removal or impoundment by the District Engineer.

§ 327.21 Special events.

(a) Special events including, but not limited to, water carnivals, boat regattas, music festivals, dramatic presentations or other special recreation programs are prohibited unless written permission has been granted by the District Engineer. An appropriate fee may be charged under the authority of § 327.23.
